

Expert Human Capital Consulting Powered by Our People

Since 2007, LinkVisum Consulting Group, Inc, a woman-owned small business, has been a leading provider of human capital strategy, training, and transformational change management with recent experience in Federal government human capital and training including US Department of Homeland Security (DHS), US Department of Justice (DOJ), US Department of Transportation (DOT), and US Federal Aviation Administration (FAA), as well as non-profit organizations.

PAST PERFORMANCE

Department of Transportation (DOT), Federal Aviation Administration (FAA)

Developed a comprehensive change management strategy consisting of strategic communications, outreach, and web-based training for the implementation of the Safety Assurance System for 5000 inspectors throughout the FAA.

Department of Justice (DOJ), Community Relations Service (CRS)

Provided a mix of program support for CRS in its mission to be “peacemaker” for community conflicts within our communities, including strategic planning, training design and development, annual report drafting and design, website development and maintenance, and publishing of print materials.

Department of Homeland Security (DHS), Cybersecurity and Infrastructure Security Agency (CISA)

Analyzed and reported Federal Employee Viewpoint Survey (FEVS) for 19 CISA Divisions as part of the Office of Chief People Officer (OCPO) Employee Engagement initiative. Supported CISA’s Emergency Communications Division (ECD), leading CISA ECD’s Workplace Optimization Initiative, which aligns the CISA ECD environment and culture to each individual employee’s needs.
